

Dec 2016

Saughall All Saints C of E Primary School
Governors Christmas Message

***Wishing you a
Merry Christmas &
a Peaceful 2017***

The first term of the 2016/17 academic year has been extremely busy, finishing on a high with the fabulous festive performances. The passion and enjoyment of the pupils is a pleasure to see and there has clearly been a tremendous effort from all involved. Thank you for sharing this with us.

As a governing body we have spent the term working through our post Ofsted action plan, delivering actions, reviewing progress and seeking evidence of the outcomes of the activities undertaken. There has been a considerable body of work delivered by the staff across the core areas of the curriculum and we will continue with the recently established sub-committee to monitor and measure progress.

We have had the opportunity to engage with pupils through learning walks, lesson observations and other activities, seeking the 'pupil voice' so we can understand their perspectives. The confidence, good behaviour and enthusiasm for learning is abundant, the children clearly 'Wear their badge with pride'.

The beautiful willow tree in the entrance to the school, the extra-curricular activities and sporting achievements continue to enrich the wider development of the children. We appreciate the time and effort from all of those who are involved.

As the end of the 2016 approaches it is time for a well-earned break to recharge batteries ready for the new-year. On behalf of the Governing Body I would like to wish all of the pupils, parents and staff a very Merry Christmas and a Peaceful 2017.

Amanda French
