Flu Vaccinations

The NHS immunisation team will be visiting school on Tuesday 28th November to deliver the childhood flu programme.

The Nasal Flu Vaccine has proven to be highly effective in reducing the number of respiratory related GP and hospital visits in school aged children and is offered to all pupils from Reception - Year 6.

This is a paperless exercise again this year and you will receive details of how to complete a consent form via the NHS website today. You should complete one for each child.

Consent forms must be submitted at least 2 days before the session to be triaged by a nurse.

Christmas Post Box

Our Christmas post box will be in operation from Monday 4th December at the front of school for the children to post their Christmas cards to their friends if they so wish.
