### Aspirations Day

On Friday 14th June we will be holding our 'Aspirations Day' this year. This will allow the children an opportunity to think about what they would like to be in the future and what they might need to do to achieve their aspirations. The children will be asked to come to school dressed up as their future self - this could be a fire fighter, police officer, or even a doctor, a footballer, an artist or a famous pop star! As part of the celebrations on the day, we will be welcoming past students of The Ridings, Thomas Wedge and Saughall All Saints to come and talk to the children about what their journey has been like since they left Primary School and what they are currently doing now. We look forward to seeing the children take part in what we hope will be a fun day where the children can think positively about their own future.

### Uniform orders

If anyone would like to place an order for School uniform in readiness for the new academic year please do so by **Friday 14th June**. Orders after this date will not be guaranteed to arrive by the end of term.

Order forms are available from the school office or on our website, please send payment with order forms. Alternatively items can be selected and paid for via Tucasi our online payment system.

### Reminder

As the weather is finally improving can you please make sure you send in a sun hat and water bottles and apply sun cream before they come to school.

Also school shoes should be worn to school not trainers.
