

Activities To Do At Home no.3

Hopefully now you are starting to have a bit of a routine, there will be peaks and troughs as the days go by. So please just be there to support the children and families as best we can.

Again we have more ideas for you to keep the children active, some are better than others. So please feel free to adapt them to suit the needs of the children (and any adults that are taking part!).

As a School Games Organiser national network, we are starting to share some great ideas on ways to keep active. We have included a game in this week's edition on the next page.

The Body Coach—Joe Wicks

The Body Coach TV is the home of Joe Wicks' workouts. He has hundreds of free workouts for all fitness levels. These fun workouts can be done at home with no equipment.

Many schools have been doing his morning workouts, but for the older children, these workouts may be more suitable.

The banner features a teal background with a person working out and the text 'THE BODYCOACH TV' and '> New HIIT workouts every week'. Below the banner are navigation tabs for HOME, VIDEOS, PLAYLISTS, COMMUNITY, CHANNELS, and ABOUT. A video titled 'The Body Coach TV 2020 | The Home of Home Workouts' is featured, with 835,363 views and posted 1 month ago. The video description reads: 'I started the Body Coach TV with a goal to offer free home workouts to everyone, no matter what their fitness levels. It's taken me a long time to grow it but it now has over 250+ free workouts and reaches millions of people all over the world'.

HONEYCOMB ACTIVITY

Rules: Starting on one of the blue shaded hexagons, your task is to make it across the green shaded hexagon completing the task before moving to the next hexagon. The path you chose is up to you. See the diagram for an example. Land on a School Games hexagon then you can chose something fun and interesting. After completing a task/ hexagon, why don't you colour it in!

1

Mark out a line with a skipping rope or some string. Along 1 side, place cushions or toys at different distances away from the line.

2

Now stand on the line and pose like Lumiere by standing on one leg, putting your arms in the air at right angles like a candlestick.

3

You're against the clock! Jump along the line holding your pose, then pick up each item and move it to the other side - make sure your feet do not leave the line.
